Ati Mobility Radeon Hd 5000

After upgrading from Windows 7 HP to Windows 10, Ive got a big problem with the AMD graphic drivers, which are both now version 15.. I have noted you have already done all your Windows updates and ran the HP Support Assistant.. 200 1062 1004 Ati Mobility Radeon Hd 5000 Update For AMDATI Mobility Radeon HD 4200 Series seems to work fine, while AMD Mobility Radeon HD 5000 Series stopped working of an error code 43 and Im unable to fix it.. Here is a link to Compatibility Mode from the Windows10forum to assist you Pavilion dv6-3152sl Software and Drivers Please let me know the outcome.. Information and links in this thread may no longer be available or relevant If you have a question create a new topic by clicking here and select the appropriate board.. How can I fix this Please, I need your help also because this problem hardly overheats my notebook.. Ati Mobility Radeon Hd 5000 Update For AMDBut I cant fix it: driver update for AMD Mobility Radeon HD 5000 Series is impossible.

You have also tried the driver listed on the AMD website but none seem to work I suggest you try installing the Windows 7 driver listed on the HP website in compatability mode.. And, in any case the configuration goes lost at reboot and my notebook goes on saying No AMD graphics driver is installed, or the AMD driver is not functioning properly.. By using this site, you accept the Terms of Use and Rules of Participation. HP has not tested Windows 10 on your notebook and therefore there are no updated drivers listed.. If this allowed you to overcome this issue please choose solution provided to help others.. Learn How to Post and More I grasp that after upgrading to Windows 10 you do not have both graphic drivers.. Ive already tried these chances, but no one of them has succeded to solve the problem of my AMD Mobility Radeon HD 5000 Series: - Updating the driver from the AMD website both installing it manually and utilizing AMD Catalyst Istall Manager; - Withdrawing the HD 5000 to let Windows Update installing a new one; - Updating through the software HP Support Assistant.
