It is most tools for professionals in the image processing industry such as artboards design spaces and realistic brushes.. The only thing you can have problems if like me you use many large files at once and keep the program 24/7 open it can start to lose memory and not run plugins yes Photoshop plugins work with this program.. Heres a short little feature we made for a recent blog post 14 Fun Festive Holiday Marketing Ideas for 2017.. It includes the most tools for professionals in the imaging industry such as Artboards Design Spaces and realistic brushes.. The effects are not intuitive and require training whether you are learning from someone else are watching tutorials on Youtube.
