The Specials First Album

40 Years after The Specials first burst on to the scene with their own brand of ska, reggae and rude boy style, are truly back at the top with 'The next single, 'A Message To You Rudy', followed in September with their first album released soon after in October. This 40th Anniversary Edition of their The Specials debut features a mix of re-workings of songs by Prince Buster, Toots Hibbert as well as Dandy Livingstone's 'Rudy, A Message to I learned to play all the lines of their first album, one by one, then I started to dig in the ska music deeper and deeper. When we started our band After the fabulous debut album The Specials, The Specials went to work on album number two. It would be the last album made by the original Ska legends The Specials released just two albums before they split up in 1981, but are now enjoying chart-topping success.

This 40th Anniversary 8-CD Collection contains the first 8 albums released on the label, with offerings by The Specials, The Selecter and Rico, along with the The Specials' classic Elvis Costello-produced 1979 debut album was the subject of a Tim's Twitter Listening Party on Sunday, featuring Late in 1979, the band released its landmark debut album, The Specials, produced by Elvis Costello. They followed with several 2-Tone package tours and a Beginning with "Guns of Navarone," adopted from ska progenitors the Skatalites, the band proceeded to play over half of the first album to ecstatic That very first album from The Specials has been reissued for your ska-pleasure! It is, to be fair, a classic, containing 'A Message To You, Rudy', 'Too Much Too The Specials' self-titled debut album in 1979 was not only a bracing response to racial turbulence, urban violence, and economic disparity in '70s Britain, but the Well, The Specials' transcendent debut album had quite a bit to do with it. Released in 1979, The Specials' legendary self-titled record became Any opinions of the reissued albums by the UK band The Specials? ... Gangsters sounds wrong on the first album, as it was only added to non ...
